

Medway
Children's Trust

Making sure your childhood is healthy, happy and safe

What is a children's trust?

All the people in Medway whose job it is to help children are working together in a group called Medway Children's Trust. The trust has promised to make sure you and your friends are healthy, stay happy, enjoy life and do well at school.

Be safe and cared for

Medway Children's Trust promises to:

- ☆ work with your teachers to make sure you and your friends are not bullied at school;
- ☆ make sure you and your friends are safe when you play outside and you do not come to any harm;
- ☆ work closely with the police to make sure no one hurts you or steals from you;
- ☆ help keep you out of trouble with your teachers and the police.

Succeed in learning

Medway Children's Trust promises to:

- ☆ make sure you do well at school, especially in English, maths and science;
- ☆ open a SureStart Children's Centre in every community for mums, dads and children under five;
- ☆ help your school nurse to make sure you're fit and healthy and check if there's anything that may be stopping you from doing well at school.

Thrive

Medway Children's Trust promises to:

- ☆ work with your family and teachers to make sure you can eat healthy foods and play sport. This will make you fit, healthy and strong for the future;
- ☆ make sure there are plenty of play areas, sports and after school activities for you to enjoy where you and your friends live;
- ☆ work together to make sure children who are disabled or who need extra help can enjoy the same activities.
